Triathlon Ruined My Life
how he got involved in all this nonsense in the first place. Marvel as he reveals:

Accidental Ironman en Apple Books
The story does not make any sense, mainly because I just cant see how triathlon ruined this guy's life : his wife is very supportive (she eventually decide to enrol in a triathlon herself), the guy seems to be quite proud to fulfill his objective of doing an IronMan and he even enrol in another one after his debut, he is quitte successful a it (see his performances in cycling).
