The flu vaccine is a safe and effective vaccine. It's offered every year on the NHS to help protect people at risk of flu and its complications. This page is about the flu vaccine for adults. The best time to have the flu vaccine is in the autumn before flu starts spreading. But you can get the ...

With real-world examples and an emphasis on ethics throughout, AN INVITATION TO SOCIAL RESEARCH: HOW IT'S DONE, Fifth Edition combines balanced coverage of quantitative and qualitative methods of social research with a unique “behind the scenes” approach. Built on focal research pieces and excerpts from real research projects, chapters present the insights, perspectives, and challenges of actual researchers in the field. The result is a comprehensive resource that guides readers step by step through the many stages of social research—from selecting a researchable question and designing a study to choosing the best method of data analysis for a particular study—and prepares them for the ethical issues and problems that they may face along the way. Reflecting the latest practices from the field, the Fifth Edition also integrates a greater emphasis on research focusing on evidence-based programs and policy. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

This book provides balanced coverage of quantitative and qualitative methods of social research with a unique "behind the scenes" approach: Chapters are built on focal research pieces and excerpts from real research projects, and they present the insights and perspectives of workers conducting real-world research. The book guides readers through the many stages of social research—from selecting a researchable question and designing a study to selecting the best method of data analysis for a particular study—and prepares them for the ethical issues and problems that they may face along the way.

This text contains an accessible format, engaging language, focus on real researchers, and student exercises. The book gives students first-hand experience with the research process, provides them with a behind-the-scenes glimpse of how professional researchers have done their work, and presents social science research in a clear and inviting manner.

This text on social research outlines how to study social and cultural phenomena, explains the difference between qualitative and quantitative analysis, and examines the relationship between social research and society.

Social theory is a crucial resource for the social sciences. It provides rich insights into how human beings think and act and how contemporary social life is constructed. But often the key ideas of social theorists are expressed in highly technical and difficult language that can hide more than it reveals. The new edition of this popular book continues to cut to the core of what social theory is about. Covering key themes from the classical thinkers onwards, including Marxism, post-structuralism, phenomenology, feminism and more, the second edition features a new chapter on Actor-Network Theory and enhanced discussion of postcolonial theory. Wide ranging in scope and coverage, the book is concise in presentation and free from jargon. Showing why social theory matters, and why it is of far-reaching social and political importance, the book is ideal for readers seeking a clear, crisp mapping of a complex but very rewarding area.

Social Work and Social Welfare: An Invitation is a nationally recognized, best-selling text and unique website for US Introductory Social Work and Social Welfare courses. It provides students with the knowledge, skills, and values that are essential for working with individuals, families, groups, organizations, communities, and public policy in a variety of practice settings. This new third edition is an up-to-date profile of the world in which today's social workers practice, with current demographic, statistical, legislative, policy, and research information; sensitive discussions of contemporary ethical issues; and new first-person narratives from social workers in a variety of fields. The call to become engaged in some of society's most challenging issues is clearer than in previous editions.
