Contemporary Direct Marketing - chimerayanartas.com

Contemporary Marketing refers to theories that stress the importance of customer orientation versus the traditional market orientation. They are strategies that, when implemented, offer greater support for their client base with a product range that varies depending on what the target market desires.

Traditional Vs Contemporary Marketing Strategies

Direct marketing is a form of communicating an offer, where organizations communicate directly to a pre-selected customer and supply a method for a direct response. Among practitioners, it is also known as direct response marketing. By contrast, advertising is of a mass-message nature. Response channels include 800-numbers, reply cards, reply forms to be sent in an envelope, websites and email addresses. The prevalence of direct marketing and the unwelcome nature of some communications has led t
