Riley Blackthorne has one goal in life, to be a demon trapper just like her legendary father. With Atlanta overrun with Lucifer's Hellspawn, this shouldn't be difficult. But not everyone wants this city's first female trapper to succeed. The guys in the local Guild are giving her a ton of grief, and even her dad's trapping buddy, Denver Beck, thinks she's picked the wrong profession. Riley just needs a chance to prove herself. Which is exactly what Hell is counting on.

Riley Blackthorne. Kicking hell's ass one demon at a time... Riley's beginning to think being a demon trapper isn't all it's cracked up to be. Her dad's been stolen by a necromancer, her boyfriend's gone all weird and she's getting warm and fuzzy feelings for someone who's seriously bad news. It's tempting to give it all up and try to be normal, but that's not an option. Because the demons have plans for Riley. And they're not the only ones.

After Riley Blackthorne vowed to stop Armageddon in exchange for her boyfriend's life, she really hoped Heaven would forget her part of that deal. No such luck. But first she has to survive the Vatican's Demon Hunters, find her father's reanimated corpse, and avoid being torn apart by roving bands of Hellspawn. That's a heavy load for an apprentice demon trapper, but Riley has no choice. Either she honors her vow to Heaven, or the world will burn.

The Demon Trapper's Daughter is the first novel in Jana Oliver's Demon Trappers—a spellbinding young adult fantasy series. Riley Blackthorne just needs a chance to prove herself—and that's exactly what the demons are counting on. Seventeen-year-old Riley, the only daughter of legendary Demon Trapper Paul Blackthorne, has always dreamed of following in her father's footsteps. The good news is, with human society seriously disrupted by economic upheaval and Lucifer increasing the number of demons in all major cities, Atlanta's local Trappers' Guild needs all the help they can get—even from a girl. When she's not keeping up with her homework or trying to manage her growing crush on fellow apprentice, Simon, Riley's out saving distressed citizens from foul-mouthed little devils—Grade One Hellspawn only, of course, per the strict rules of the Guild. Life's about as normal as can be for the average demon-trapping teen. But then a Grade Five Geo-Fiend crashes Riley's routine assignment at a library, jeopardizing her life and her chosen livelihood. And, as if that wasn't bad enough, sudden tragedy strikes the Trappers' Guild, spinning Riley down a more dangerous path than she ever could have imagined. As her whole world crashes down around her, who can Riley trust with her heart—and her life?

As the ultimate battle between Heaven and Hell begins, Beck reveals his troubled past and grows closer

to demon hunter Riley.

With her wedding fast approaching, as well as her fiancé's investiture as grand master, Master Demon Trapper Riley Blackthorne is just trying to keep Atlanta safe from Hellspawn. When she meets a high-level fiend who claims to be free of Lucifer's control, and allows him to remain at large, she knows there will be consequences. Denver Beck is facing two major events: taking his vows as a grand master and then as a husband. He's as nervous about committing his life to the fight against Darkness as he's excited to say, "I do". All his worries about the future are confirmed when a city is buried in brimstone, killing every single inhabitant. Was this Hell's doing, or is some other entity at work? It's Beck's job to find out. After more cities are destroyed, Riley is summoned to Rome to answer for her actions. If they want a future as man and wife, she and Beck will have to take a stand. But will they be strong enough to stop this new threat, a killer that even the angels fear?

Given the degree of popular fascination with Gnostic religions, it is surprising how few pay attention to the one such religion that has survived from antiquity until the present day: Mandaism. Mandaeans, who esteem John the Baptist as the most famous adherent to their religion, have in our time found themselves driven from their historic homelands by war and oppression. Today, they are a community in crisis, but they provide us with unparalleled access to a library of ancient Gnostic scriptures, as part of the living tradition that has sustained them across the centuries. Gnostic texts such as these have caught popular interest in recent times, as traditional assumptions about the original forms and cultural contexts of related religious traditions, such as Judaism, Christianity, and Islam, have been called into question. However, we can learn only so much from texts in isolation from their own contexts. Mandaean literature uniquely allows us not only to increase our knowledge about Gnosticism, and by extension all these other religions, but also to observe the relationship between Gnostic texts, rituals, beliefs, and living practices, both historically and in the present day.
