The Everything Classical Mythology Book: Greek And Roman ...

Greek mythology is the body of myths originally told by the ancient Greeks and a genre of Ancient Greek folklore. These stories concern the origin and the nature of the world, the lives and activities of deities, heroes, and mythological creatures, and the origins and significance of the ancient Greeks' own cult and ritual practices. Modern scholars study the myths in an attempt to shed light ...

Elaborate facsimile journal of a Greek mythology primer from the early nineteenth century.

A retelling of the greatest myths and legends of the ancient Greek gods and heroes for readers of all ages by a celebrated historical novelist. In the ancient past, the Gods and Goddesses of ancient Greece lived on Mount Olympus and ruled the world of mortals. Famous heroes shaped the course of history, beautiful women drew the gazes of gods and men alike, and the gods were both fickle in their favors and breathtakingly generous to those they smiled upon. From Midas' tragic gift to the exploits of Hercules and the curse of Pandora, renowned classicist and historical novelist Robert Graves brings the legends of ancient Greece to life in a lively, accessible way that's sure to appeal to everyone; from children to adults, and from casual readers to serious scholars.

The sky-god Zeus, the hero Heracles, and the fearsome Minotaur are well-known subjects of Greek mythology. Greek Gods, Heroes, and Mythology explores the gods, heroes, creatures, and stories of Greek mythology, in addition to examining their influence today. Aligned to Common Core Standards and correlated to state standards. Core Library is an imprint of Abdo Publishing, a division of ABDO.

Provides retellings of the ancient Greek myths, arranged in four sections: the Gods, Nature Myths, Demigods, and Fables and includes a brief section on words from the Greek myths which are part of the English language. Reissue.

you will never be confused about Ancient Greece!

Mythworld is a lavish album of discovery in which the legendary creatures, battles and heroic deeds of Greek mythology are brought to jaw-dropping life. Stunning photographs of ancient treasures are paired with full-bleed awe-inspiring CGI scenes from the classic myths - your chance to rediscover gripping tales of the Odyssey, the Trojan Wars and the adventures of heroes such as Perseus and Heracles. Lively text explains the historical context of the myths and an illustrated map showcases the awesome Greek mythical world. From fates and furies to minotaurs and muses, this is a book to stir your imagination.

The Adventures that Shaped the Western World First published in 1934, Gods, Heroes and Men of Ancient Greece has become one of the most popular, enduring--and captivating--retellings of the ancient myths for modern readers. Recognizing the sheer entertainment value of these timeless adventures, world renowned classical scholar W.H.D. Rouse delighted his students at the Perse School in Cambridge, England, with a conversational style and childlike wonder that made the legends come alive--a rare storytelling gift that continues to engage young and old alike. Many of the characters in this book are familiar to us--Helen of Troy, Icarus, Zeus, Athena, to name just a few--but rarely have their stories of war and adventure, bravery and romance, been so simply and thrillingly told. From the strong-arm heroics of Heracles, to the trickery of the Trojan Horse, from the seductions of Circe the sorceress, to the terrors of the Cyclops and Minotaur, these legends have outlived the culture that bore them. But while the ancient Greeks may be long gone, their fables and morals, their heroes and heroines, live on today...

"Features more mythological sagas from Apollodorus' Library and additional excerpts from his other work, including the stories of Deucalion, Dionysus, Bellerophon, Kadmos, and Tiresias" -- Publisher's website

Greek mythology isn't the equivalent of the Bible or the Qur'an. There is no standardized version of any myth. Myths aren't sacred. Whether you happen to be Homer, Aeschylus, Sophocles, Euripides or any other Greek, or even you or me, every myth is yours to tell and interpret any way you like. Just to give one example. An oracle has decreed that Oedipus will kill his father and marry his mother. In Homer's version, Oedipus carries on ruling in Thebes when he discovers he has fulfilled the oracle, whereas in the version that Sophocles gives us in his play Oedipus the King, Oedipus blinds himself and goes into voluntary exile. That said, certain details are unalterable. Oedipus has to be ignorant of the fact that the man whom he kills is his father and that the woman whom he marries is his mother, he has to fulfill the awful prophecy of the oracle, and he has to come to a realization of what he has done afterwards. But everything else is pretty much up for grabs. Greek mythology is very much alive and well in the contemporary world. There are many narrative versions of the myths currently available, but this book will do something very different: it will give the characters the chance to tell their stories in their own words. In so doing, it will give both gods and humans the opportunity to reflect upon their life stories and, in places, justify their actions. In this way they will come across as real people, just as they are, say, in the plays of the dramatists.

Heroes, Gods and Monsters in Ancient Greek Mythology' is a collection of classic archetypal Ancient Greek myths, including the stories of
