Life in the UK Test Free 2020 - Apps on Google Play
Also known as the British Citizenship test, the Life in the UK test was introduced to ensure applicants have a good knowledge of British customs, traditions, laws and the political system, as well as the English language. You are unable to apply for naturalisation or settlement until you have passed the Life in the UK test.

This is the only official handbook for the new Life in the UK tests taken on or after 25 March 2013. This large print version contains all the official learning material for the test and is written in clear, simple language - making it easy to understand. This essential handbook covers a range of topics you need to know to pass your test and apply for UK citizenship or permanent residency, including: The process of becoming a citizen or permanent resident; the values and principles of the UK; traditions and culture from around the UK; the events and people that have shaped the UK's history; the government and the law; getting involved in your community

This compendium aims to assist those readers who are intending to become permanent residents or citizens and are studying in order to take the citizenship test.

This book does not contain the learning materials for the test and should be read in conjunction with "Life in the United Kingdom: a guide for new residents" handbook (3rd edition, 2013, ISBN 9780113413409) and "Life in the United Kingdom: official study guide (2013, ISBN 9780113413423) which is also ideal for those teaching or learning Citizenship or English as a foreign language in schools, colleges or through courses. Key features of the publication are as follows: 400 questions and answers based upon the official handbook; includes multiple sample tests containing 24 questions each - just like the official test ; includes references to chapters within the official Handbook to provide a complete learning experience; includes vital information about how to prepare successfully for your citizenship test including details about the official preparation material, where to book your test, what happens on the day and after the test; includes information about access to the official TSO practice questions and answers website which provides the closest experience to the Life in the UK test.

This handbook presents all the latest official materials you need to study in a simple and easy-to-learn format.
