Bestselling author Mark Frost makes a triumphant return to fiction with this riveting World War II thriller, based on a shocking real-life German operation run by "the most dangerous man in Europe." Fall 1944. Germany is losing, and the Americans are starting to hope they'll be home for Christmas. Lieutenant Colonel Otto Skorzeny, "Hitler's Commando," famed for his daring rescue of the imprisoned Mussolini, has just received orders for Operation Greif: He is to

assemble a new brigade of 2,000 men, all of whom speak English, and send them behind Allied lines disguised as GIs, where they will wreak havoc in advance of a savage new offensive. And from those men, Skorzeny is to select a smaller group, made up of the twenty most highly skilled commandos fluent in American culture, to attempt an even more sinister mission--the second objective--which, if completed, not only would change the course of the war, but would change the course of history. Filled with real characters and details only recently released by the United States military, *The Second Objective* is historical fiction at its most pulse-pounding, its most unpredictable, and its most compulsively readable.

Boston, Tuesday, October 21, 1975. The Red Sox and the Cincinnati Reds have endured an excruciating three-day rain delay. Tonight, at last, they will play Game Six of the World Series. Leading three games to two, Cincinnati hopes to win it all; Boston is desperate to stay alive. But for all the anticipation, nobody could have predicted what a classic it would turn out to be: an extra-innings thriller, created by one of the Big Red Machine's patented comebacks and the Red Sox's improbable late-inning rally; clutch hitting, heart-stopping defensive plays, and more twists and turns than a Grand Prix circuit, climaxed by one of the most famous home runs in baseball history that ended it

in the twelfth. Here are all the inside stories of some of that era's biggest names in sports: Johnny Bench, Luis Tiant, Sparky Anderson, Pete Rose, Carl Yastrzemski--eight Hall of Famers in all--as well as sportscasters and network execs, cameramen, umpires, groundskeepers, politicians, and fans who gathered in Fenway that extraordinary night. Game Six is an unprecedented behind-the-scenes look at what is considered by many to be the greatest baseball game ever played--remarkable also because it was about so much more than just balls and strikes. This World Series marked the end of an era; baseball's reserve clause was about to be struck down, giving way to the birth of free agency, a watershed moment that changed American sports forever. In bestselling author Mark Frost's talented hands, the historical significance of Game Six becomes every bit as engrossing as its compelling human drama.

The crucial sequel to the New York Times bestselling *The Secret History of Twin Peaks*, this novel bridges the two series, and takes you deeper into the mysteries raised by the new series. The return of *Twin Peaks* is one of the most anticipated events in the history of television. The subject of endless speculation, shrouded in mystery, fans will come flocking to see Mark Frost and David Lynch's inimitable vision once again grace the screen. Featuring all the characters we

know and love from the first series, as well as a list of high-powered actors in new roles, the show will be endlessly debated, discussed, and dissected. While *The Secret History of Twin Peaks* served to expand the mysteries of the town and place the unexplained phenomena that unfolded there into a vastly layered, wide-ranging history, *Twin Peaks: The Final Dossier* tells us what happened to key characters in the twenty-five years in between the events of the first series and the second, offering details and insights fans will be clamoring for. The novel also adds context and commentary to the strange and cosmic happenings of the new series. For fans around the world begging for more, Mark Frost's final take laid out in this novel will be required reading.

**Dark Brotherhood** As the city of London slumbers, there are those in its midst who conspire to rule the world through the darkest and most nefarious means. These seven, seated in positions of extraordinary power and influence, marshal forces from the far side to aid them in their fiendish endeavor. **Force of One** In the aftermath of a bloody séance and a terrifying supernatural contact, a courageous young doctor finds himself drawn into a malevolent conspiracy beyond human comprehension. **All or Nothing** The future is not safe, as a thousand-year reign of pure evil is about to begin, unless a small group of

stalwart champions can unravel the unspeakable mysteries behind a crime far more terrible than murder.

From the co-creator of the landmark series, the story millions of fans have been waiting to get their hands on for 25 long years. The Secret History of Twin Peaks enlarges the world of the original series, placing the unexplained phenomena that unfolded there into a vastly layered, wide-ranging history, beginning with the journals of Lewis and Clark and ending with the shocking events that closed the finale. The perfect way to get in the mood for the upcoming Showtime series.
