What is personal integrity?

Personal integrity is knowing what you know. What you know is what you know and to have the courage to know and say what you have observed. And that is integrity and there is no other integrity. Of course, we can talk about honor, truth, nobility—all these things as esoteric terms.

syllabus and paper pattern. Because of this, each individual can score good marks in the paper with lesser efforts as compared to other General Studies Papers, i.e. if you dedicate 15-20 days to this subject, you will not just learn about the complete subject but you can score much more as compared to other General Studies paper, as they require much more time because of their dynamic nature. If we consider the previous year question Papers of General Studies-IV, the questions were divided into two parts as: 1. Theory-based Questions (based on the theoretical aspects of the ethics), and 2. Case Studies (based on the actual or probable life situations).

"Many people say that it is the intellect which makes a great scientist. They are wrong: it is character." -- Albert Einstein

Integrity in Scientific Research attempts to define and describe those elements that encourage individuals involved with scientific research to act with integrity. Recognizing the inconsistency of human behavior, it stresses the important role that research institutions play in providing an integrity--rich environment, citing the need for institutions to provide staff with training and education, policies and procedures, and tools and support systems. It identifies practices that characterize integrity in such areas as peer review and research on human
