It's summer in Memphis. The sweat is sticking to Rudy Baylor's shirt and creditors are nipping at his heels. Once he had aspirations of breezing through law school and punching his ticket to the good life. Now he doesn't have a job or a prayer...except for one: an insurance dispute that leaves a family devastated and opens the door for a lawsuit, if Rudy can find a way to file it. By the time Rudy gets to court, a heavyweight corporate defense team is there to meet him. And suddenly he's in over his head, plunged into a nightmare of lies and legal maneuverings. A case that started small is exploding into a thunderous million-dollar war of nerves, skill and outright violence--a fight that could cost one young lawyer his life, or turn him into the biggest rainmaker in the land.... BONUS: This edition includes an excerpt from John Grisham's The Litigators.

A confidence man, hired by a south-western rancher to produce rain within twenty-four hours for a drought-stricken farming area, brings hope and faith into the barren life of the rancher's frustrated daughter, who seems destined for spinsterhood in spite of her family's efforts to find her a husband.

This book will help you find faults and then solutions to establish a solid foundation for your company and, when required, quickly fix, coordinate recovery, raise finance, and advise you on how you can run a profitable business. Global statistics proclaim that 80 percent of new businesses fail within the first 18 months—shocking and true, but preventable. Many entrepreneurs use the poor excuse of undercapitalization, but recently over \$1 trillion was invested in new projects. There are more simple and basic reasons for failure. The Rainmaker is thus called on to assist entrepreneurs to succeed past that financial ruin barrier of 18 months by helping them to properly structure and run a company that meets ultimate best practice solutions and systems—which are realistic and competitively better than peers. This book looks at how The Rainmaker is able to bring sunshine to desperate companies, by finding faults and then matching solutions to establish a solid foundation for your company and, when required, quickly fix, coordinate recovery, raise finance, and advise you on how you can run a profitable business. The Rainmaker is a combination of troubleshooter, advisor, mentor, and financier.

Winner Sarraounia Prize for Young Adult Fiction 2020 Fifteen-year-old Tendo Katende was looking forward to the long holidays so he could take a deserved break from schoolwork, but two weeks in he can ' t stand the routine of playing video games all day long any more. Will the rest of the holiday be like this? Then a visit from an uncle he has never met before changes everything. Uncle Moses comes with a gift of a holographic video game like none Tendo has ever played. When strange happenings at the farm start causing havoc, mayhem and destruction, Tendo gets into trouble with his father, concerned about the game's power. Is the new game linked to the mysterious events at the farm? Does that mean Tendo needs to stop playing his super-fun, highly addictive video game if he is to save the farm? What if there are more sinister forces with vindictive agendas at work on the farm? Suddenly, the holidays are no longer boring, Tendo teams up with his friends to solve the mystery before the whole farm is destroyed.
